Good Afternoon All – Please see below from Dianne Black indicating that they are fine with the plan. Also, Alison (Coastal Commission) called and apologized for not getting back with us

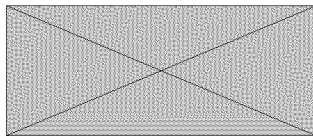

sooner – she is currently on vacation. She said she did not have any problem with the plan concept and Jonathan was to be responding in her absence. She also stated that if the County concurs with the plan then they are fine as well – she specifically mentioned Ms. Black.

I believe that covers all of the bases we wanted to cover prior to putting the plan forward to UC and starting tomorrow. If I can be of further assistance, please do not hesitate to call me.

Regards, ,
